**RE: Reference letter for Lionshead Construction**

To Whom It May Concern,

This letter serves as a reference to San Ashgar and his team at Lionshead Construction. San is the manager at Lionshead Construction for our contract job to build our new dental office.

We are happy with the work, service, and professionalism that San and his team provided. They are knowledgeable, punctual, and very friendly. Over the few months that it took to build our office, we are proud to recognize San and his team as friends.

San's greatest strength is the speed at which they respond to our inquiries and concerns. If San did not pick up the phone right away, we have waited no longer than 10 minutes for him to return our call and address any concerns.

Even after the job was completed, any post-construction issues were promptly resolved by San and his team.

Many of our patients have commented on the quality of the work done, and we are proud of our office space.

We wholeheartedly recommend Lionshead Construction for their contracting services. If there are any questions, please feel free to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joey Yu", is written in a cursive style.
